Description

A completely unique and absolute classic Halmatic 30. Built by Allanson and Son in Freckleton in 1958 as a version of the popular Harbour Launches for a private owner who kept her until 5 years ago in a wet shed in Windermere. She was £8,500 new and retains all her originality today including galley, cast iron stove, lights, decoration and the twin BMC Commodore engines which have registered only 229 hours use although this is only recordable above 6 knots. The owner (only the second in her lifetime) holds a complete history and details of all work undertaken on her which will go with the boat. Offering accommodation for up to four in two cabins. The saloon offers convertible seating to two single berths and has standing headroom of 7ft whilst the rest of the boat has 6ft. Separate heads compartment with wash basin. Range of navigational equipment including VHF, depth and speed log. Viewing strictly by pre-arranged and accompanied appointment only.

Additional Details

* Searchlight * Siren/Horn * Two owners since new * Complete history inc invoices/work undertaken available * Port holes * Serviced 2014 * Last out of the water 2012-2014 (due to owner's ill health) * Antifouled 2014 * Engine hours of both engines 229 (only recordable over 6 knots) * Original and one off build * Boat Safety Certificate to 2018
