Description

A beautiful, bespoke sports launch with elegant, classic lines hand built to order in Norfolk and designed by Andrew Wolstenholme. GRP hull with mahogany decks, walnut dashboard and chromium deck fittings. Available with a range of engine options including 21hp Nanni which is ideal for river use and up to 350hp for high speed cruising. Comfortable and classic interior with L shaped seating area and helmsman seat. Optional extras available to personalise the boat to your individual requirements include fridge, search light, radio, power operated engine hatch, cockpit lighting and trailer along with choice of hull and antifoul colour and upholstery. A real head turner which is equally easy to handle and quiet to run. For more details please contact 07515 904946.
