V berth forward and double dinette berth. She is being offered with a customised four wheel trailer (new in 2008 - not braked) and a new (never been used) two burner hob with grill. She also benefits from a range of sails including a new mainsail by Jeckells which has never been used. Completely refitted four years ago this little boat was originally taken to the London Boat Show as Sun Yacht's show boat and she has been under the same ownership since 1977. He has sailed her extensively in both inland and estuary waters and describes her as a very capable, fast and easy to handle boat.
