Features

Description

Introducing the new, head turning, Caprina 26, available in two models; the Classic and the Contemporary. Built to order to your own individual specification by highly trained, local boatbuilders with special attention to detail throughout the build. The Caprina 26 Classic is lovingly hand constructed entirely in wood using only the very best quality timber. It has oak framing covered with Columbia's pine and mahogany planking and the decks are constructed of solid mahogany. Comfortably seating up to eight people. There's more than enough locker space and an option for some of that to be used to house a fridge. Choice of propulsion available including, diesel, petrol or electric, with power options up to 370hp. The Caprina Contemporary is constructed using the best quality FRP products and the decks have a FRP substrate with solid mahogany decking. Sharing the same high specifications, layout and propulsion options as the Caprina 26 Classic. Prices start from just £100,000. For more details please call 07515 904946.
